## Golf Equipment Donation Form

Thank you for your interest in donating golf equipment to the Triangle Blind Golfers Association (TGBA).

Equipment donations play an important role in helping blind and visually impaired golfers participate safely and confidently. Donated items are used during clinics, practice sessions, and on-course play, allowing golfers to focus on learning and enjoyment without the barrier of having to acquire equipment on their own.

We are grateful for your generosity and support of accessible golf and inclusive recreation.
